

**Always here to help**

**ROBERTA,  
LIVING WITH gMG**

**ONESOURCE<sup>®</sup>**  
Personalized Patient Support from Alexion

**A guide for patients  
and caregivers**

# Meet OneSource™. We're here to help.

OneSource is a complimentary, personalized patient support program offered by Alexion and tailored to the specific needs of people living with aHUS, gMG, HPP, LAL-D, PNH, and NMOSD. Your Case Manager is your primary contact with the OneSource program and is here to help you throughout your journey.

When you enroll in the OneSource program, you will work with a dedicated team of OneSource Case Managers with advanced training in your rare condition, health insurance expertise, and information about community resources.

**You are not alone. We are here for your support.**

Abbreviations: aHUS, atypical hemolytic uremic syndrome; gMG, generalized myasthenia gravis; HPP, hypophosphatasia; LAL-D, lysosomal acid lipase deficiency; NMOSD, neuromyelitis optica spectrum disorder; PNH, paroxysmal nocturnal hemoglobinuria.

# Your OneSource Case Manager— a valuable resource along your journey

To enroll, you must complete the OneSource enrollment and authorization form:

- At your doctor's office
- By calling 1.888.765.4747 or
- By visiting [AlexionOneSource.com](https://www.AlexionOneSource.com)

After you enroll, your Case Manager will:

Contact you and your healthcare team

Provide you with disease and/or Alexion therapy information and resources

Help you understand your insurance coverage for the Alexion therapy and provide you with information on financial assistance options when applicable

Remain available for ongoing support

# Health insurance navigation

**Living with a rare condition is difficult enough, and health insurance can be complex and overwhelming. We are here to help.**

Every OneSource Case Manager has health insurance expertise and information on available resources.

- At OneSource, we can help provide you with information to understand your insurance plan and your coverage options for the Alexion therapy
- If you have funding concerns or gaps in coverage for your Alexion therapy, you are not alone. The OneSource Case Managers can assist with information on alternative funding options and resources for you

**VICTOR (FATHER),  
LIVING WITH PNH**

# Disease information

**While your condition may be rare, it is not rare to us.**

- OneSource Case Managers can provide you with educational materials and useful information related to your rare condition, such as brochures and website resources
- Whether you've just been diagnosed or have been managing your condition for years, OneSource is here to help with disease education or questions about treatment logistics

1.888.765.4747 or email [OneSource@alexion.com](mailto:OneSource@alexion.com)

# Ongoing support

Life moves quickly, and OneSource is here when you need us.

OneSource Case Managers can support you in following the plan of care made by your physician.

- OneSource Case Managers are here to help when your treatment location or insurance coverage changes. We will work with you and your physician to help your transition go smoothly
- Getting married, planning a vacation, getting new insurance, or starting a new job? OneSource can provide help and support along the way

RUTHIE (MOTHER),  
LIVING WITH PNH

# Community connections

Sometimes you might feel like you are the only one with your condition, but it's important to know that you are not alone.

OneSource Case Managers understand and can provide you information about:

- In-person and online meetings and events
- Patient support meetings
- Advocacy groups
- The opportunity to connect with other individuals living with your condition

**Want to share your story?**  
**Talk with your OneSource Case Manager about how you might get involved in your disease community.**

JILL,  
LIVING WITH aHUS

1.888.765.4747 or email [OneSource@alexion.com](mailto:OneSource@alexion.com)

A OneSource Case Manager is here to help navigate the questions you might have. We are ready to provide the support and resources you need—whatever your care plan may be.
